SMARTSHEET IN ACTION: Agilifly Webinar Highlights

On 13th of November, PMI Luxembourg hosted a compelling webinar, “*Project & Portfolio Management - Agilifly (powered by Smartsheet)*,” led by Isheeta Bali, CEO of Agilifly Digital Transformations. This event offered a deep dive into how Smartsheet’s powerful features can simplify project and portfolio management by improving visibility, automating workflows, and fostering team collaboration.

Key Highlights:

- Smartsheet as a Game-Changer: Participants discovered how this platform provides a single source of truth for tracking all project-related activities—from requests to risks and lessons learned. The tool’s integration capabilities and user-friendly dashboards make it a must-have for scalable, enterprise-level project management.
- Actionable Insights: Attendees learned practical strategies, including how Smartsheet automates project intake, standardizes processes, and provides real-time visibility into resource allocation and performance metrics.

The session was a valuable resource for professionals eager to adopt modern PPM solutions and leverage low-code digital transformation to boost efficiency.

Missed the Webinar? Don’t worry! Visit [Agilifly](#) to explore how Smartsheet can revolutionize your project workflows and prepare you for the future of work.

📣 **Stay tuned for next year's webinars**, where we continue to explore digital transformation and modern project management practices!

EMPOWERING YOUNG ENTREPRENEURS: JA Training Day with PMI Luxembourg

PMI Luxembourg was honoured to participate in **Junior Achievement's Training Day** at the Luxembourg Chamber of Commerce last 14th of November. Around 40 young entrepreneurs attended our interactive two-hour session on the essentials of project management.

Young Entrepreneurs explored project management basics, methodologies, risk management, progress tracking, and the importance of communication and leadership. We wrapped up with an engaging introduction to using Artificial Intelligence in project management, providing practical examples they can apply to their projects.

◆ This successful collaboration highlights PMI Luxembourg's dedication to empowering the next generation of professionals. Together with JA (Junior Achievement Network), we are excited to continue this impactful partnership and contribute to shaping the future of tomorrow's project managers.

ELEVATE YOUR CAREER: NEW in PMI Agile Certified Practitioner certification

Ready to enhance your agile skills? Discover what is new in the certification from PMI. On 8th November PMI launched the new PMI Agile Certified Practitioner (PMI-ACP) professional certification.

PMI-ACP goes one step further than PMP in Agile approaches. This new PMI-ACP includes a comprehensive learning ecosystem, featuring an e-learning course and an ISO-accredited exam, aligned with PMI's Gold Standard for professional certifications.

Learn [here](#) whether PMI-ACP is right for you, what is the path to certification, how to prepare and testimonials.

Want to learn more about Agile? Read this Agile Practice Guide, co-developed by Agile Alliance and PMI: [Agile Practice Guide](#).

 **Take the Next Step:** To earn the PMI-ACP®, you will need to meet eligibility requirements and pass the exam. Prepare with PMI's resources and gain the skills needed to drive agile projects with greater efficiency.
