THE NEW MEMBERS MENTORING PROGRAM

The new members mentoring program has been established to give all the support needed to people who joined the chapter **starting from January 2026**.

Why we decided to create the program?

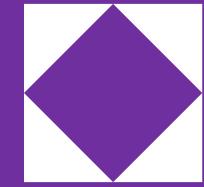

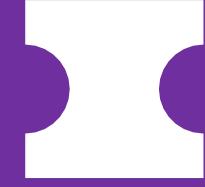

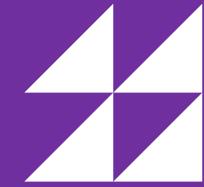

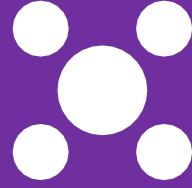

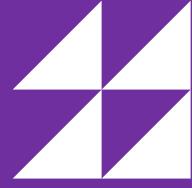

- ❖ People don't really know who we are and what we do once they join us
- ❖ People don't know the real value in joining PMI
- ❖ People don't fully know all the advantages of PMI and the resources that they are offering
- ❖ People are unfamiliar with the Luxembourg work environment and don't have the possibility to network with like-minded people

If you recognize yourself in even one only aspect , you are on the right place and the program is what is right for you.

What we can do for you?

- 1:1 support meeting
- Get you involved in some of our activities
- Share our network and introduce you to other professionals of the Luxembourg Chapter
- Helping you in gaining PDU's

HOW CAN I APPLY FOR THE NEW MEMBERS MENTORING PROGRAM?

IS THE NEW MEMBERS MENTORING PROGRAM FOR EVERYONE?

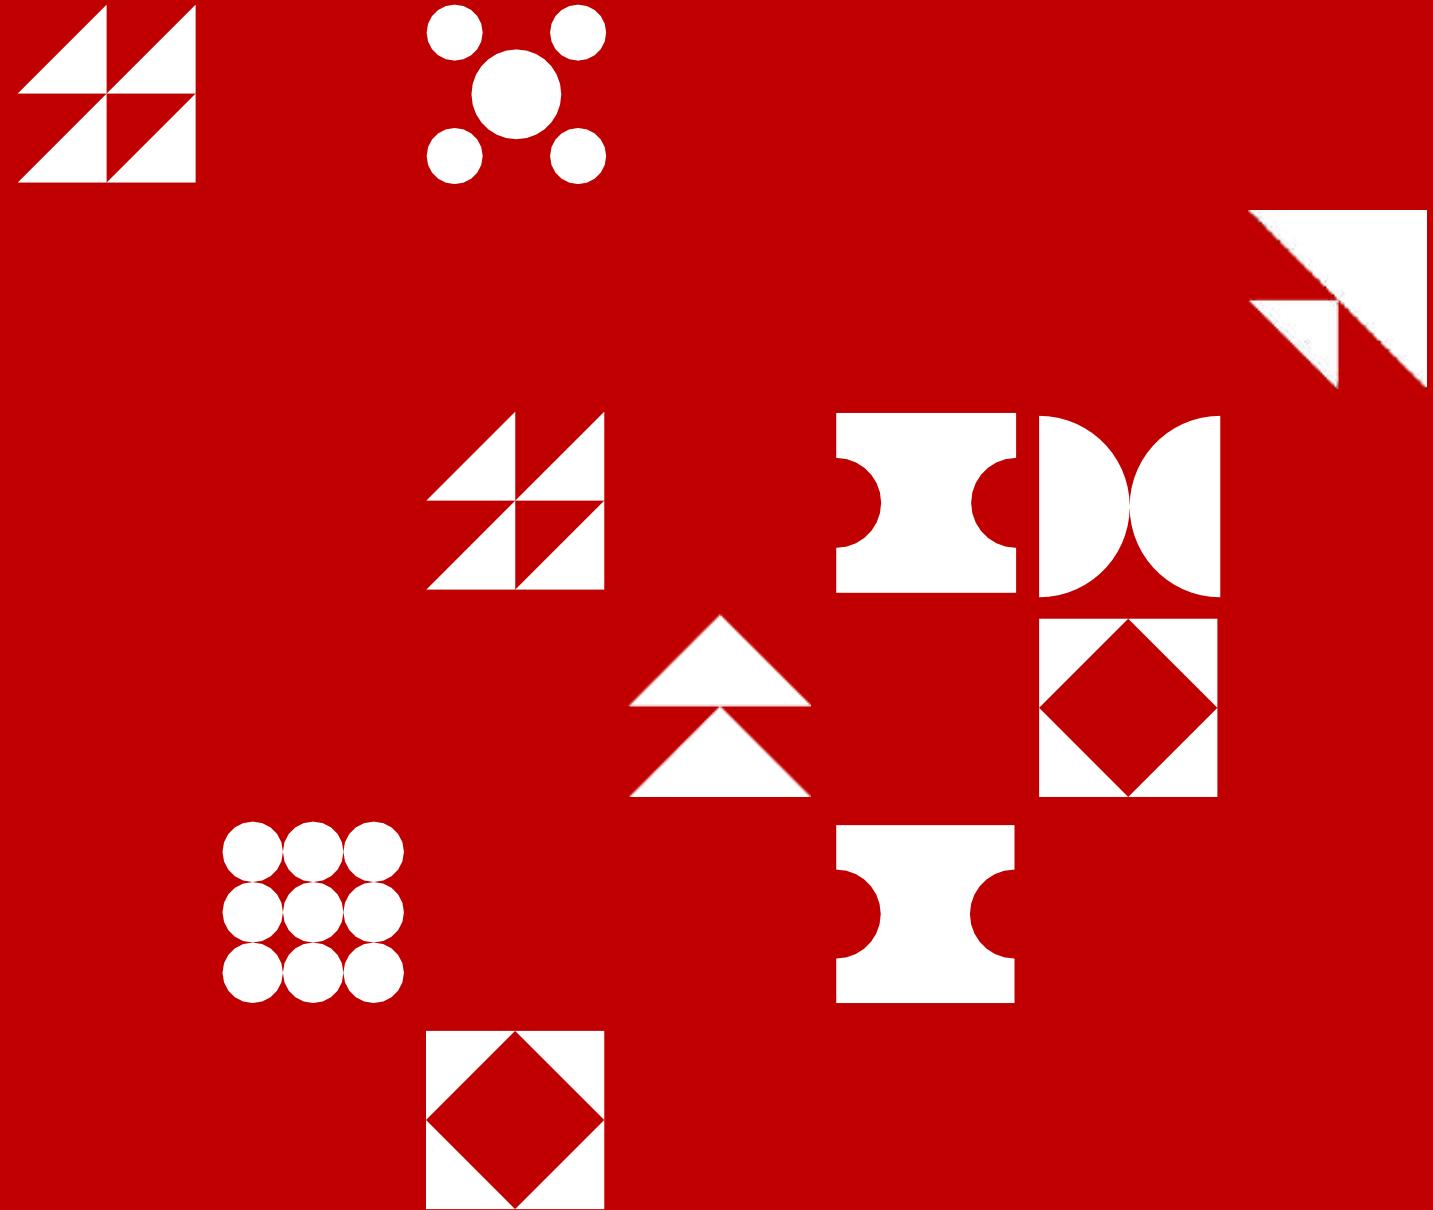

The new members mentoring program is at the moment limited **up to 3 people** – Don't worry we are planning to open more seats in the next coming months.

There are no specific skills that we are looking for, **ANYONE** is more than welcome!

Warning: If you decide to choose this experience, please be respectful and enjoy the journey.

WHO WILL BE MY MENTOR?

Aurora Gualtieri is here for you!

Meet Aurora Gualtieri, the Owner of **Harmonia Consulting** and a passionate advocate for **project management, innovation, and impactful solutions**. With a strong foundation in **IT project management, business development, and marketing**.

My career includes **PMO and project management roles European Commission , Amexio (Intesa Sanpaolo Servitiae), Deloitte Luxembourg, and Amazon**, where I honed expertise in **strategic planning, stakeholder engagement, and cross-functional team coordination**.

Recognized in **2023 as one of PMI's Future 50 Leaders**, Aurora is actively involved in the project management community, volunteering with the **PMI Next Gen Committee** and PMI Luxembourg, sharing insights through **conferences and podcasts**. She is passionate about mentoring and helping others grow professionally, connecting with people, travelling and running.

During the mentoring program, Aurora will serve as your guide, sharing real-world experience, explaining the value of PMI membership, and helping you navigate the exciting world of project management.
